Parent Participation (34 CFR 300.322)
Each public agency shall take steps to ensure that one or both of the parents of a child with a disability are present at each IEP meeting or are afforded the opportunity to participate, including notifying the parents of the meeting early enough to ensure they will have an opportunity to attend and scheduling the meeting at a mutually agreed on time and place.

Information Provided to Parents
The notice to parents must indicate the purpose, time, and location of the meeting; who will be in attendance; and inform the parent that the parent and the district can invite individuals to the meeting that they believe have knowledge or special expertise regarding their child. The determination as to whether an individual has knowledge or special expertise is made by the parent or public agency who invited the individual to be a member of the IEP Team. In the case of an initial IEP Team meeting for a child who has participated in Part C (First Steps), the notice must inform the parent, that at their request, an invitation to the initial IEP meeting shall be sent to the Part C service coordinator or other representatives of the Part C system.

For a student with a disability beginning not later than the first IEP to be in effect when the child is sixteen (16) or younger, if determined appropriate by the IEP Team, and annually thereafter, the notice must indicate:

A. that a purpose of the meeting is the consideration of the postsecondary goals and transition services for the student;
B. that the agency will invite the student; and,
C. identify any other agency that will be invited to send a representative.

Other Measures to Ensure Parent Participation
If neither parent can attend, the public agency shall use other methods to ensure parent participation, including individual or conference telephone calls, consistent with 34 CFR 300.328.

Conducting an IEP Meeting Without a Parent in Attendance
A meeting may be conducted without a parent in attendance if the public agency is unable to convince the parents that they should attend. In this case, the public agency must have a record of at least two (2) separate attempts to arrange a mutually agreed on time and place, such as:

A. detailed records of telephone calls made or attempted and the results of those calls;
B. copies of correspondence sent to the parents and any responses received; or,
C. detailed records of visits made to the parent’s home or place of employment and the results of those visits.
Use of Interpreters or Other Action
The public agency shall take whatever action is necessary to ensure that the parent understands the proceedings of the IEP meeting, including arranging for an interpreter for parents who are deaf or whose native language is other than English.

Parent Copy of the IEP
The public agency shall provide the parent a copy of the child’s IEP at no cost to the parent.
